Queen

We've only just begun
To learn, to live, to
love.

A wish for luck, and
we'll be on our way
To meet a shining sun.

We'll try —
So many different
lives to live.

We start out
wondering, asking
why.

For, yes, we've just
begun

Sharing adventures
that are new to us:

Learning to work,
learning to play.

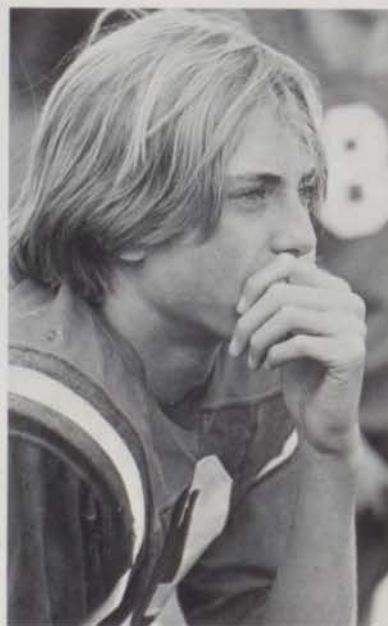

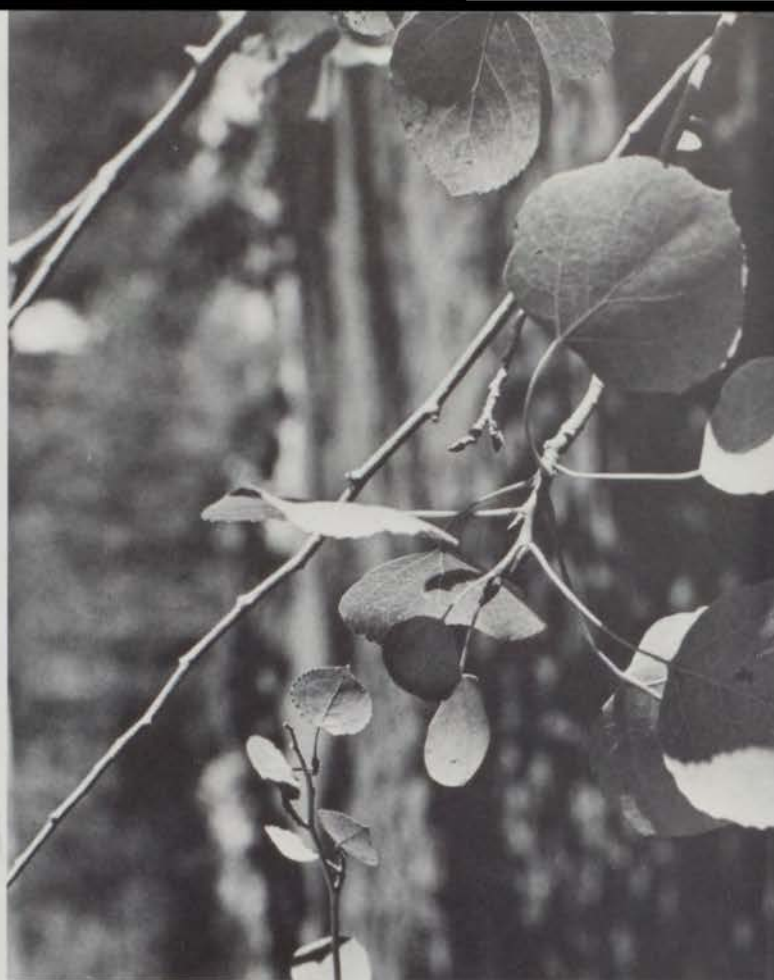

Talking it over just a
few of us,

Growing wiser day by
day.

And when the year is
done — we'll smile,
For all of life is just
ahead.

We'll find a place
where there's room
to grow.

We've only just begun.

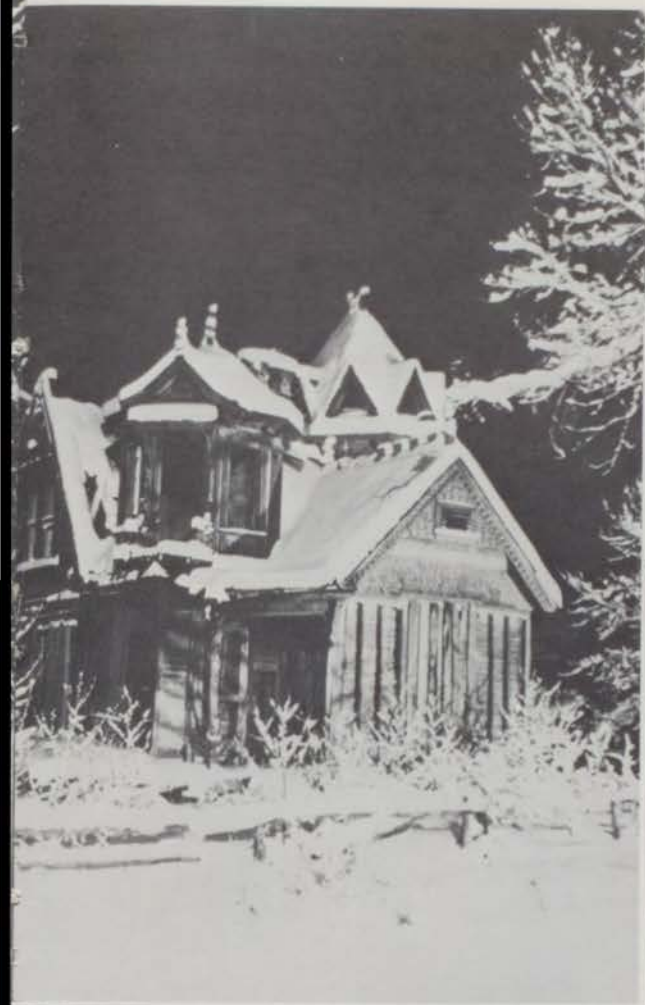

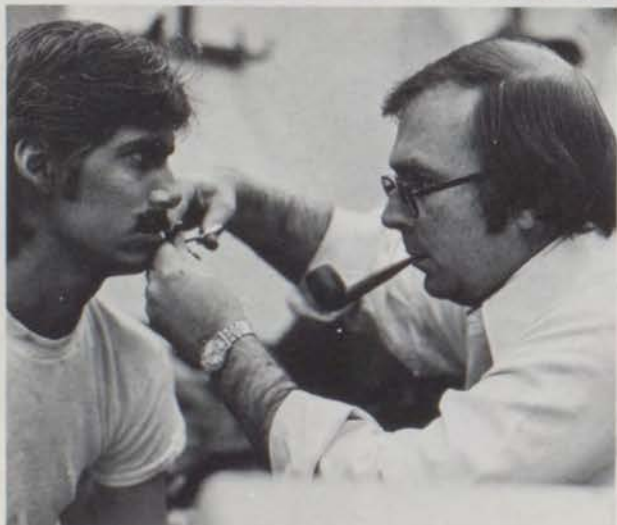

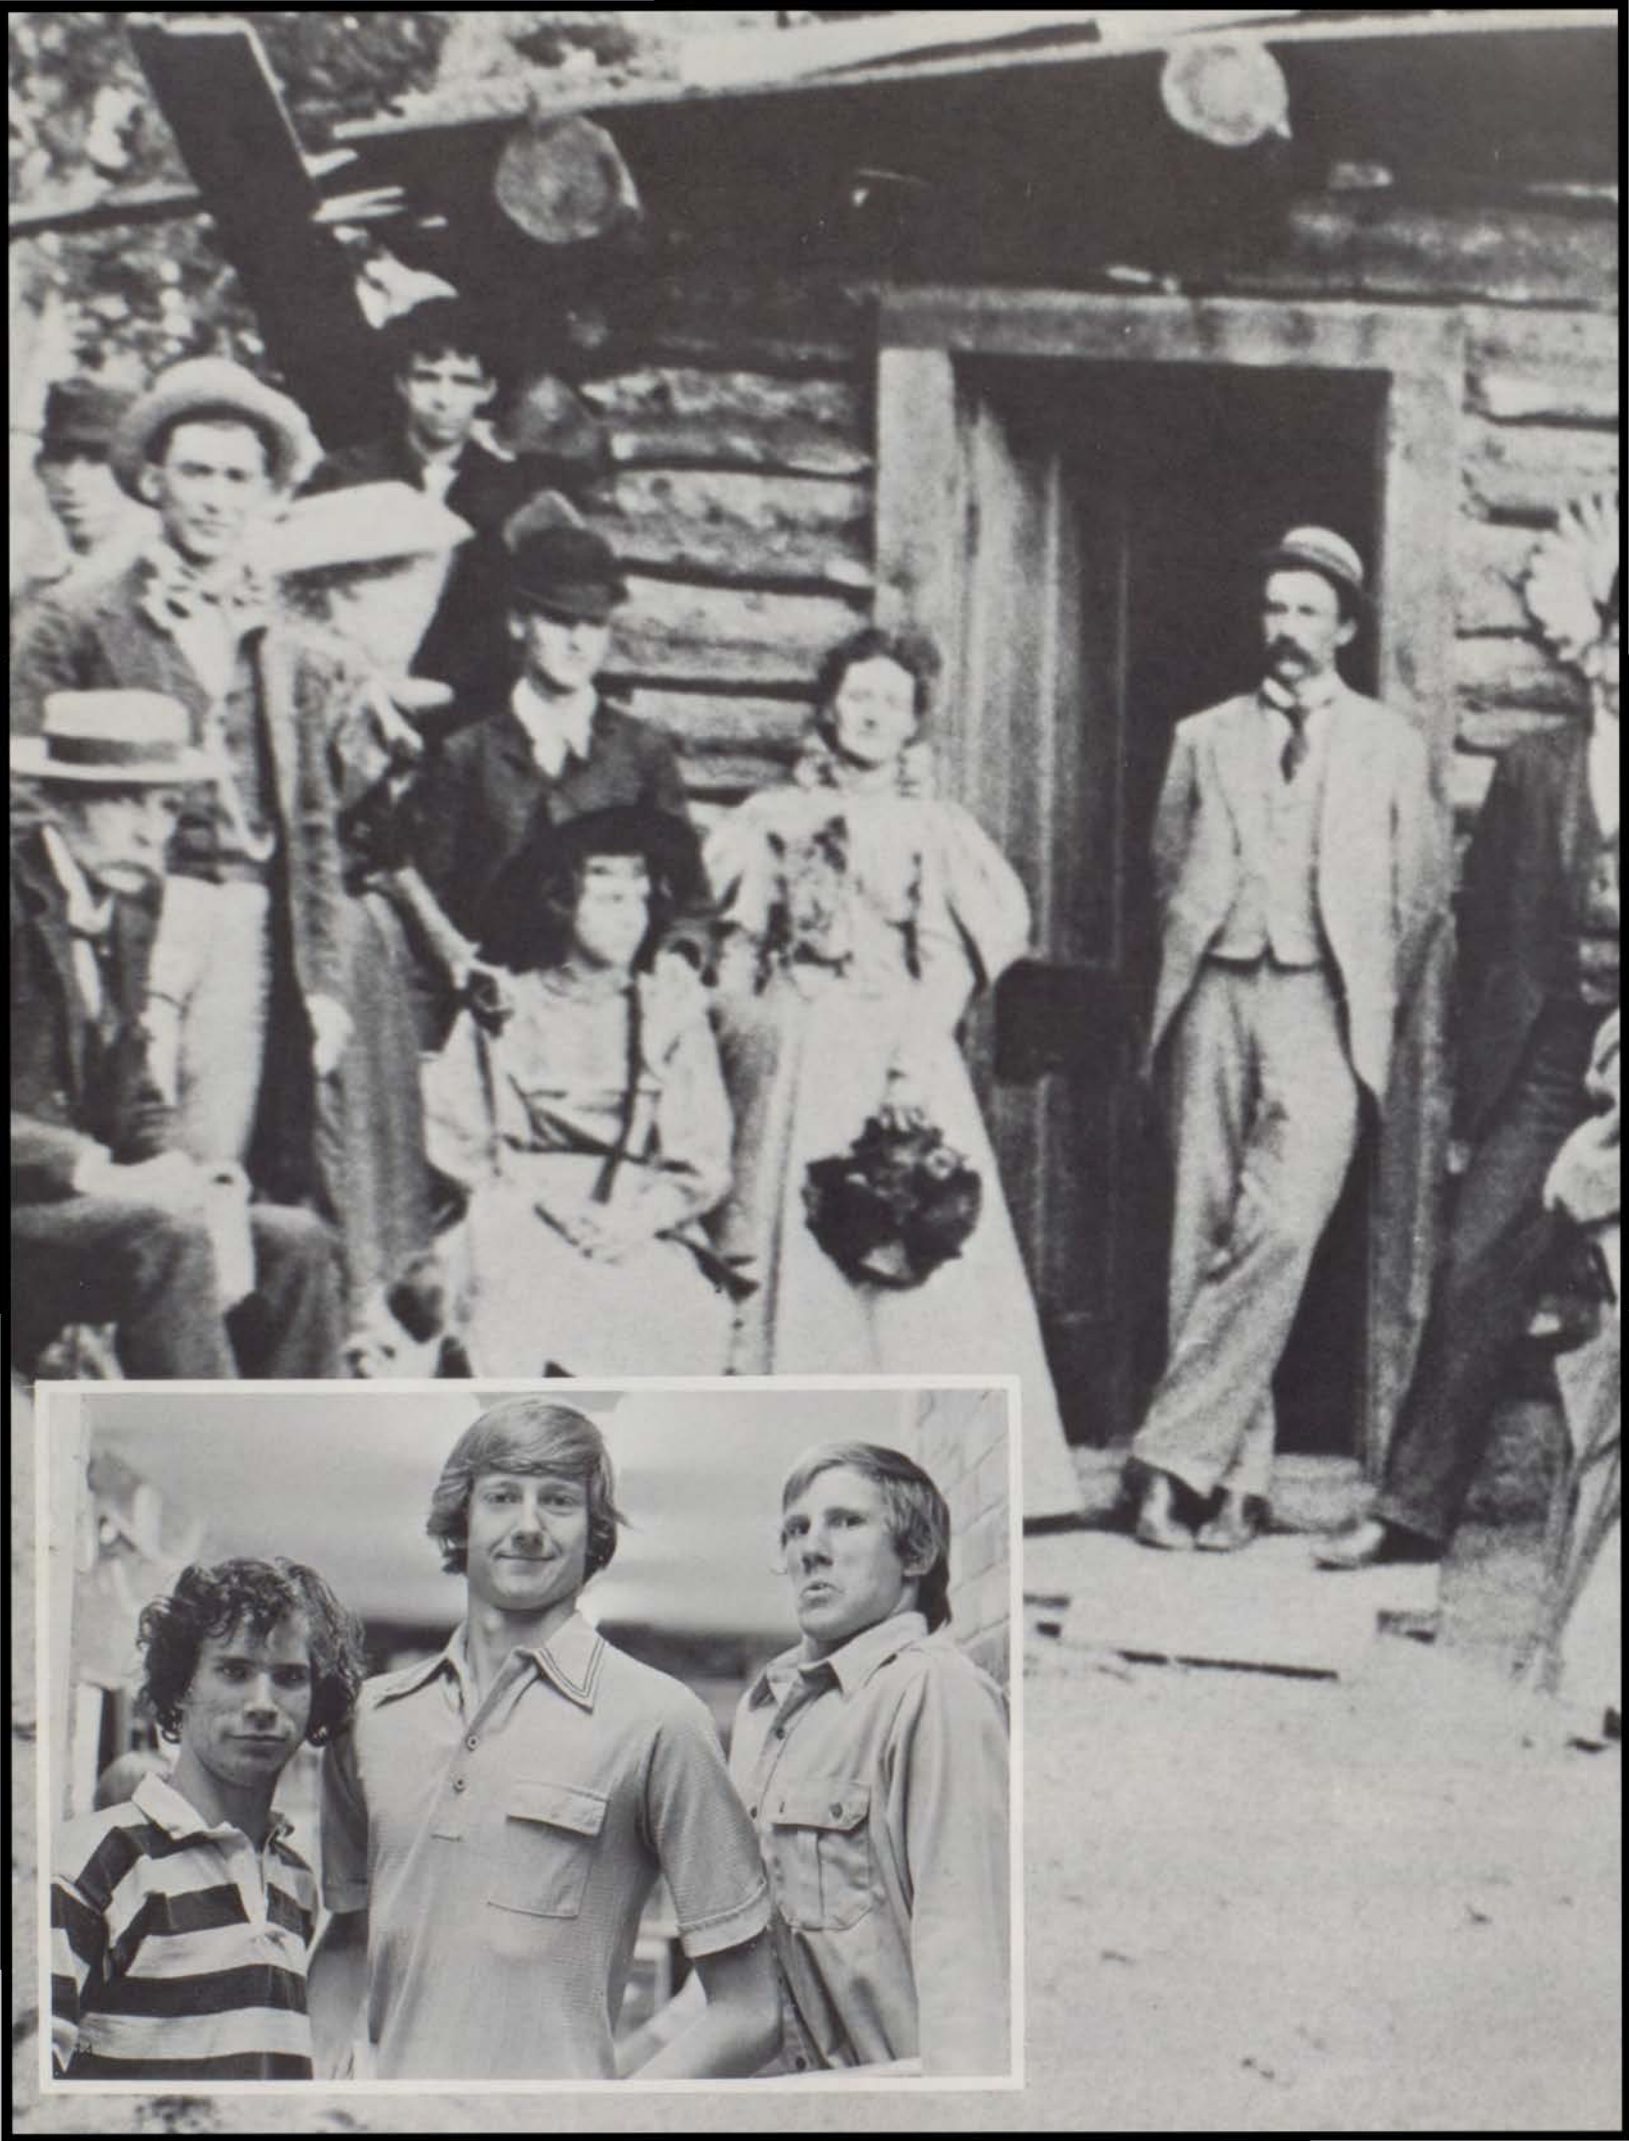

We've only just
begun . . .

Can you really learn yearbook layout by cutting up magazines????

Bill Archibeque donates some hot air to the homecoming parade.

Coke Spence climbs the last rock for outdoor ed.

Student Council prepares itself for the Craig conference, 1975.

Aleyooooooooooooops, Mrs. Mills!

Too many pancakes during homecoming week.

The Nurses Aides spread a little comfort to the Senior Citizens.

Good hustle, volleyball team.

The first snowballs of the season are let loose---right in the face.

It Happened in '75

The year that was at AHS, 1975-76. During their trip to Marble the faculty enjoyed nature and the peaceful serenity of our great out-of-doors, and were very adventurous, as one of our more experienced climbers, Mrs. Mills, proved her perfect balance to Mr. Masters.

Members of the Nurses Aide class, along with Senior Citizens of Aspen enjoyed some of the goodies of life in Mrs. Jordan's home economics room. The homecoming pancake-eating contest seemed to provide pancakes that stuck to the stomach at the wrong time and place.

It was a year of volleyball to 16 girls at AHS. Leading the girls in their first season of NWL action was Page French, who doubles as secretary to Mr. Way.

Winter without snow is like a day without sun and we had our share of white flakes fall. Everyone enjoyed burying each other in the snow.

In many ways 1975-76 was like any other year, but those of us who leave Aspen High this year know how much it meant to be a part of the great activities around us.

Winter Of "76"

The year continued--and Christmas season arrived. The Sophomore class remembered the "Twelve Days of Christmas" in a skit for the annual program. Equally original skits were presented to an enthusiastic student body by the Senior, Junior and Freshman classes as well as the basketball team. The Student Council presented the faculty and staff with appropriate "gifts" to show student appreciation. Students participated in contests to decorate areas of the building and all students assisted in the decorating of the "cloud high" tree in the commons.

Mr. Orcutt proved that "math can be fun" to students who sought help on their unscheduled time.

Music students continued their on-going fund raising campaign by selling candy to hungry students.

Physical conditioning for sports and in PE classes found student participating in jogging throughout the year. Cross-country skiing and Alpine events played a big part in the lives of the skiing students as AHS, as well as ski instructing for profit.

Amid the various activities, students still managed to squeeze in time for study (especially during finals week).

YARDAGE!

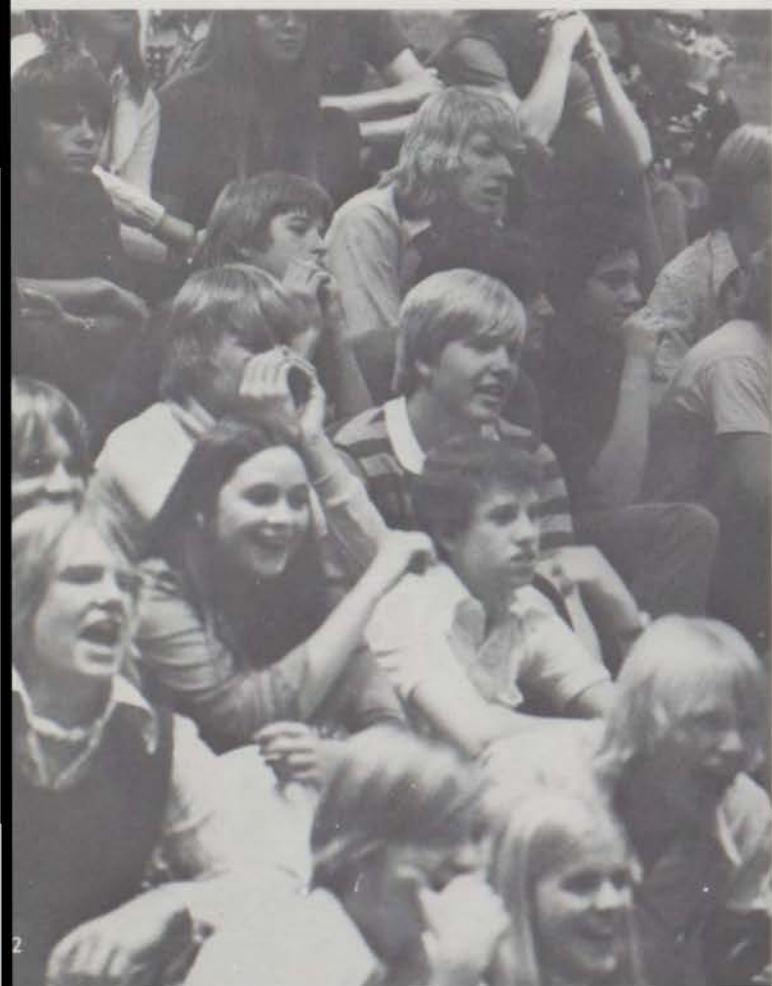

"NOW LISTEN, HOT LIPS"

Homecoming 1975 . . .

The week of Homecoming proved to be the most active--if not the most exciting, week of the year. Each day saw a new fad explored and presented as everyone took part in the week's activities.

BOOOM EEEVEN!!!

Activities included a 1950's Day, and the pep rally on Friday was exciting, with contests and games. After hours of labor the floats, featuring Devil destruction, were assembled at the old Middle School for entrance in the 1975 Homecoming Parade. Along with the floats the Aspen High Band marched to "Father of Victory" as it delighted the people who formed the usual long lines on Main Street.

Saturday afternoon the Homecoming game resulted in a 28 to 0 shut-out by the Skiers. The Homecoming dance finished the week in a style which only the Aspen Skiers could appreciate.

Banding Together To Make Music & Good Vibrations

The 38 student members of the AHS band participated in all four home football games this year, in addition to marching in the Homecoming, Christmas and Winterskol Parades.

Band members participated in Winter and Spring Concerts, the NWL Band Contest in April, and the Solo and Ensemble Contest in January, and they received 3 first prize awards.

During the Annual May Music Department Banquet, the John Phillip Sousa Award is given for the best band student as selected by all music students, as well as Outstanding Boy and Girl Band and Choir Awards, and Musical Awards.

Jazz Band

The Jazz Band has always been an integral part of the music program at AHS.

Twelve students, along with Mr. Mac, make up this swinging musical group.

While the group is not designed to be highly professional, it provides education and entertainment.

The highlight of the year is the Annual May Dance which is sponsored by the Aspen Music Boosters.

The 1975-76 AHS Choir is one of the largest ever--41 students enrolled in vocal music. Choir is an intense program aimed at individual progress and accomplishment. Both the choir and the modern choir, which are by audition only, performed in winter and spring concerts, as well as at the State Lions Convention, and were filmed in concert for the Grassroots Telethon.

Choir received 9 firsts at the solo and ensemble contest in Rifle and attended CHS Activities Association's Western Slope Competition at the end of April.

Folk Music In Overdrive . . .

AHS Bluegrass class consists of students who gain enjoyment from playing basic instruments, such as the mandolin, guitar, and fiddle. Three students, along with instructor Sandy Munro, have formed their own group which is known as Homegrown. It includes Chris Phillips, Lee Satterfield and Linda Shuldener. Chris, a senior, took second place at this year's National Guitar Flat Picking Contest in Kansas City, Missouri. Chris is also the first student to receive a Rotary Scholarship to study classical guitar with the MAA. The group has also recorded TV commercials for the Colorado Beef Growers' Association in California.

You've Got To Hand It To Little Mary Sunshine

Rich Besoyan's Off-Broadway hit, *LITTLE MARY SUNSHINE*, borrowing from Strauss, Friml, and Herbert, presented a saga of Colorado when good meant good, bad meant bad, virtue was all, and justice always triumphed.

A highly dedicated and talented group of 40 students worked days and nights to present four performances of this delightful and airy musical that concentrated on rehearsals and developed skills in dancing, acting, and singing, as well as being involved in lighting, set construction and make up.

Aspen High Music Director Bill McEachern assumed overall responsibility with John Dillon acting as director. Coral Dillon and Kay Walbye assisted in the arrangement of musical numbers and planned all choreography. The art department was responsible for the stage sets and the business department provided tickets and programs.

It Ended In '76

Fall fell, winter followed with former AHS'er Andy Mill winning a 6th in the Downhill Skiing at the '76 Olympics.

The flakes continued and so did studying and sleeping in "Poole's Pit."

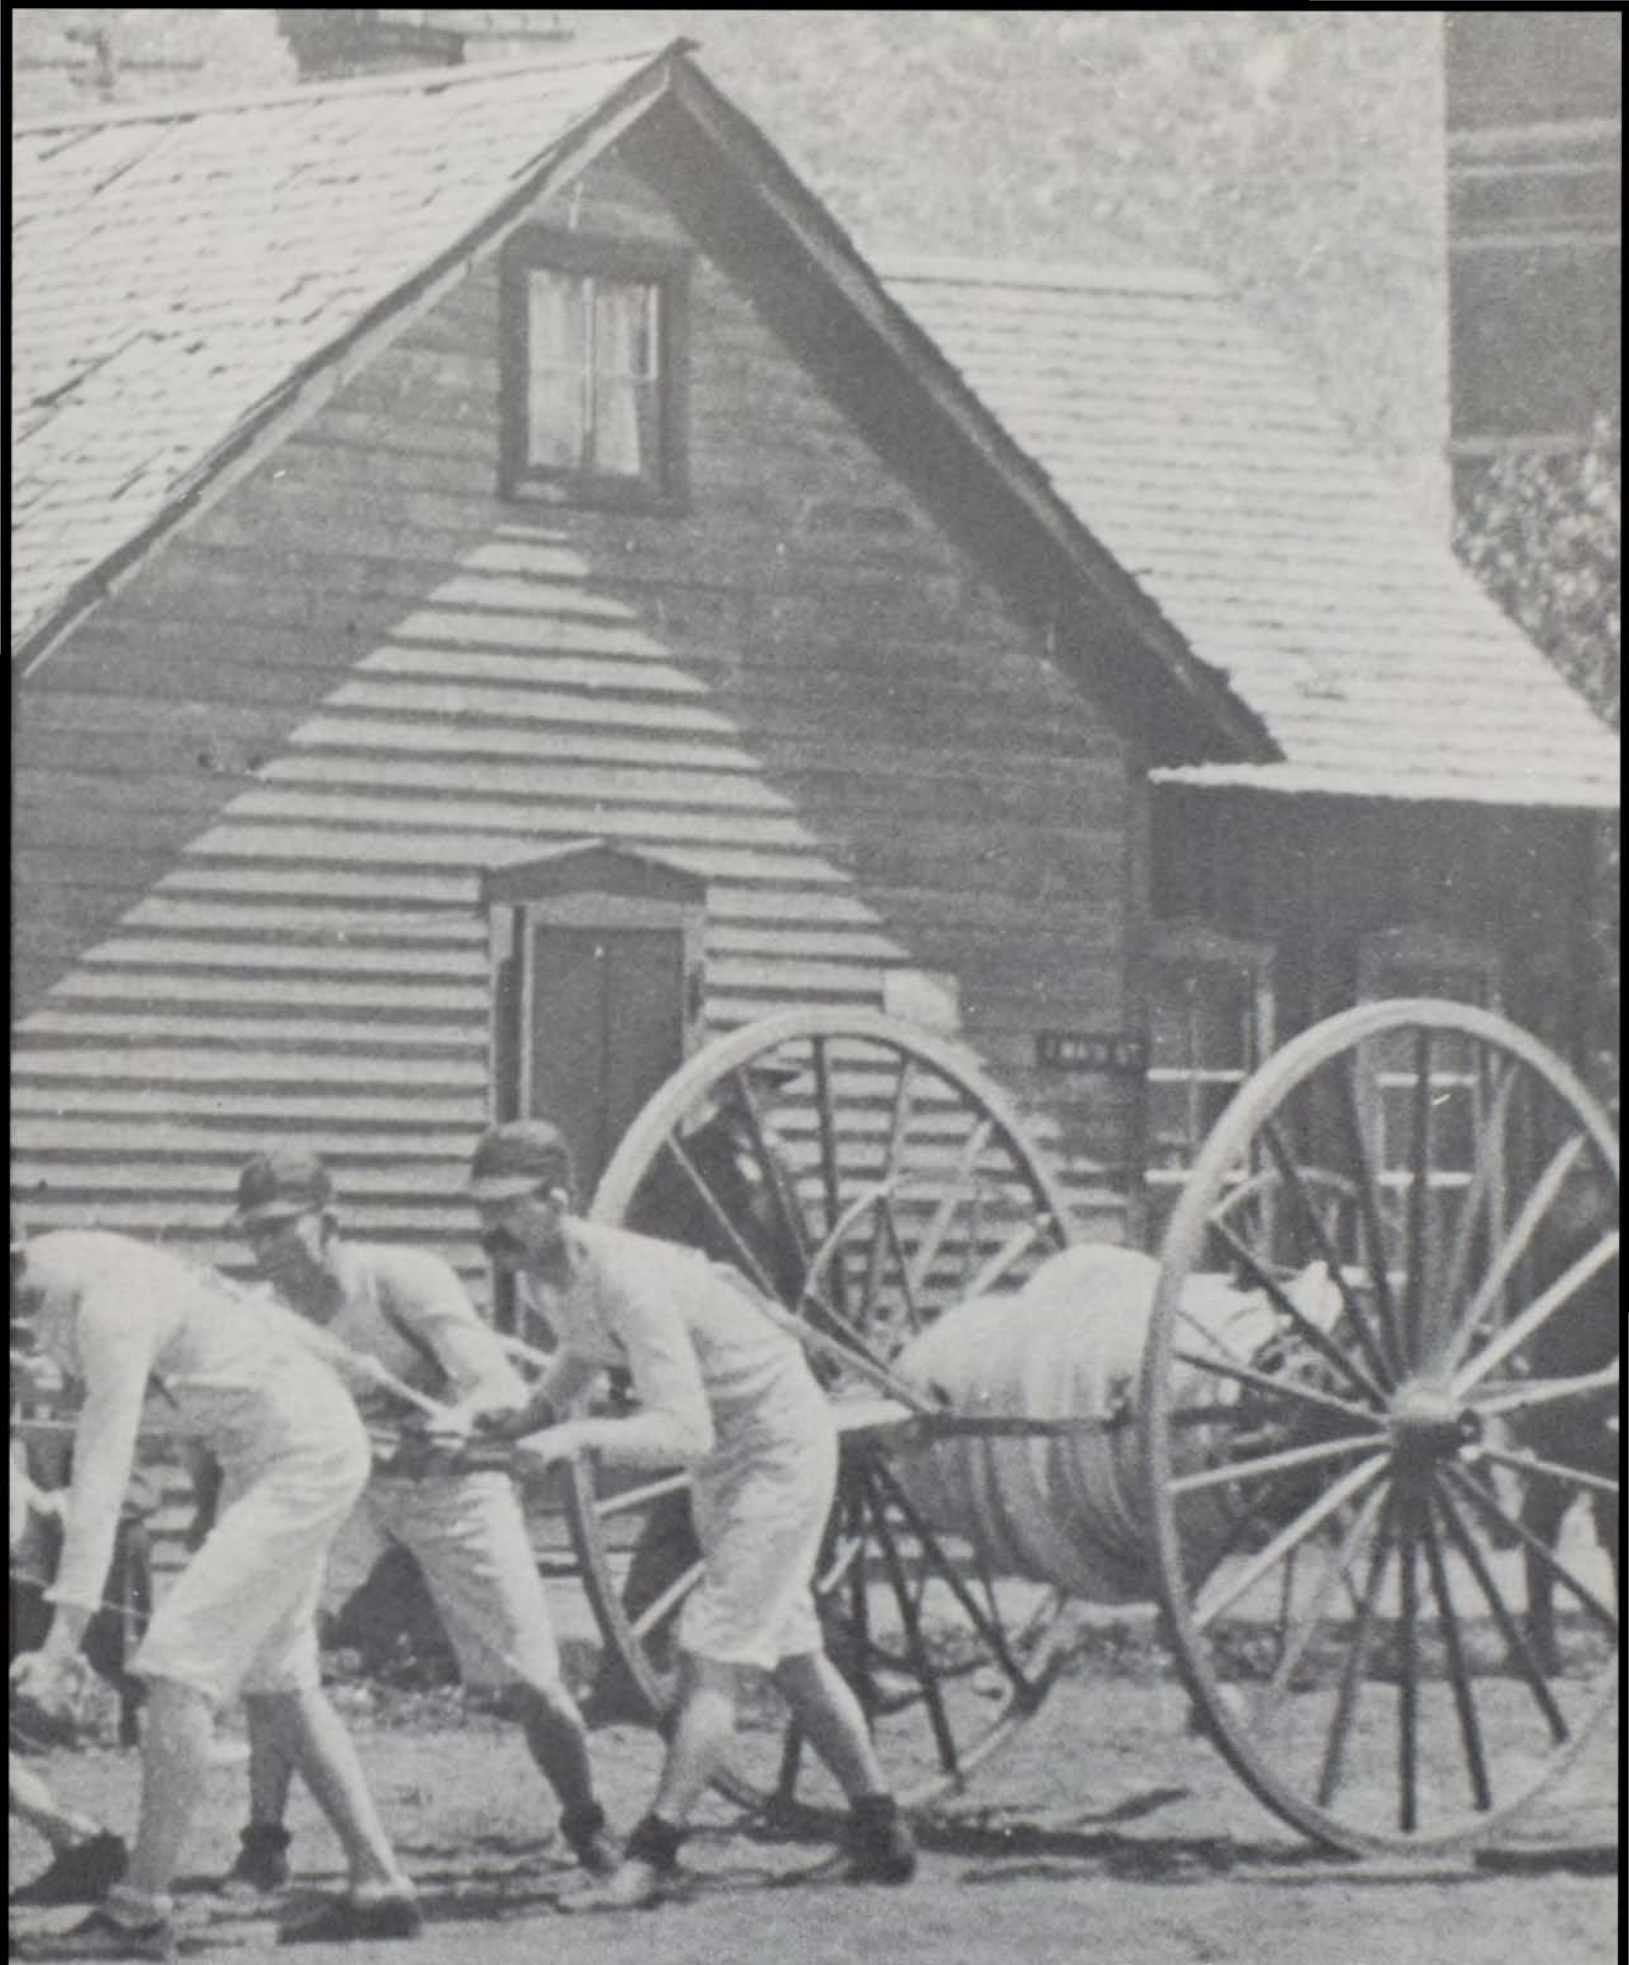

Student Council election speeches soon brought on a sprung spring with baseball, climbing, track and rodeo events.

As the days dwindled, the rays shone on the sun bathers and ashes fell from the year's last cigarettes...

Skier defense was one of the most experienced since every player had seen action for the past two seasons. The defense featured seven seniors and four juniors.

Skier offense had its ups and downs this year. The first problem was picking the starting quarterback for Aspen this season. The choice was between senior Jon Westerlind, starting quarterback last season, or Randy Block, junior. For the most part, the job of quarterbacking for Skiers was split between these two athletes and each one had good games along with bad ones.

Another dilemma facing the Skiers this season was the lack of experience in the offensive line. Though all five of the starting linemen were seniors, only two players had seen starting action last season.

DEFENSIVE TEAM, 1975

BREAK AWAY!

GO FOR IT!

BOOMP!

The Tough Get Going!!!

The team backs were able to grind out good yardage this season and they did an excellent job of blocking for each other.

The team had four primary receivers, but they did more blocking than receiving. This was due to the use of a grind-it-out offense as opposed to a quick-scoring, pass-oriented attack.

To have a winning football team, there must be eager, aggressive players as well as high-spirited, well-skilled coaches. Without doubt the Skiers' trio of coaches met these criteria and ranked as one of the better coaching staffs in the state.

This dynamic threesome was headed by coach Pete DeGregorio who has led the Skiers to five winning seasons in six years of NWL action including playoff action in both 1973 and 1974.

Aspen had its usual quota of enthusiastic fans this season including a large group of pretty girls known as the Pep Club, and the Aspen High Booster Club, a large and reliable group of parents who are concerned not only with Aspen High athletics now, but also in the future.

The Skiers' Varsity finished sixth place for the 1975-76 League basketball play. They tallied a 5 and 8 NWL record and an 8 and 8 over-all mark. It all began on Dec. 6 when the varsity, missing the services of center Steve Langley and forward Landry Littrell, defeated a well-organized faculty squad by a 51 to 42 margin. This game marked the only time this season when the Skiers were not led in scoring by either Langley or Littrell.

The next outing for Aspen was on Dec. 12 against Basalt High. The Skiers pulled out

win number two by a convincing 69 to 35 score. Steve and Landry accounted for 40 points and prompted the nickname "the dynamic duo." Dec. 13 the Skiers traveled to Hotchkiss where they handed the Bulldogs a 70 to 57 defeat for win number three. Then the Skiers entered NWL action and dropped a close game to the Roaring Fork Rams on Dec. 19 with a 52 to 48 score. Skiers were beaten 66 to 56 by the Rangley Panthers on Jan. 10. Sporting an 0 and 3 League record the Skiers hit a 3 game winning streak. First it was 75 to 60 over Battle Mountain, a 69 to

The Skiers finished their regular season with back to back wins against Battle Mountain on Feb. 14 (56 to 31) and Feb. 19 over Eagle Valley (75 to 66). With a season of close games, hopes were high as Skiers entered League Tourney games.

J.V. . . . A Small Step From Varsity!

For the Junior Varsity it was a season that ranged from low 20 and 38 point losses to Glenwood to two breathtaking overtime victories over the Roaring Fork Rams. The season evolved into a solid 7 won and 8 lost

record. The JV's suffered from inexperience which is in the process of being rectified by a strong Frosh contingent. JV may well become a top league team for the 1977 season.

Winning Isn't Everything: Giving Your All Is.

Although wrestling has been a required League sport for the past five years, this year was the first in which it received significant interest.

Because the team was incomplete in the various weight classes, forfeitures were at least a twenty point penalizing factor in every meet. In spite of this, several of Aspen's wrestlers picked up numerous victories during the season.

Junior Mickey Hartman, 132 pounds, took third place in the League Tournament. Bill Ziegler and Scot Broughton were also consistent performers.

In wrestling the pain barrier is a very real entity, and the degree of concentration necessary is perhaps unequaled in any other sport. A split second let-down generally means defeat. In Aspen matmen must deal with formidable enemies and apathy among local fandom. Both athletes and their unique sport deserve a bit better, and team members are working to improve this.

CROSS-COUNTRY SKI TEAM L. TO R.: Kirk Vanian, Cullen Morse, Alexi Grewal, Anne Caudill, Valerie Morse, Grant Timroth

Nordic Skiing

Six individuals should be recognized for their efforts in Nordic Skiing in 1976. Anne Caudill dominated her class all season and was selected for Junior National Competition. Valerie Morse also placed well and completed in the Junior Nationals. Kirk Vanian was first in his class and he participated in the Junior Nationals. Neither Caudill nor Vanian placed lower than third in any of their races. Strong performances were also turned in by Cullen Morse, Grant Timroth, and Alexi Grewal.

Alpine Skiing

Aspen High School fielded 39 athletes to participate in Alpine Skiing for the 1975-76 season. Overall the team was strong but certain individuals should be recognized for their outstanding accomplishments this year.

In the girls division it was Belinda Brownell who set the stage for skiing this season. Belinda placed in the top ten several times this season, both in U.S. National and Canadian National Ski Races. She was selected for Senior Nationals, and finished in first

place in the Albert Trophy Series covering the Rocky Mountain Division. For the boys it was Keith Adams and David Stapleton who led the way. Adams finished first in the Albert Trophy series and competed in several of the Senior series races where he usually finished in the top ten. David Stapleton finished in the top 20 twice in the Western Can-Am Giant Slalom races. He also ranked well in the National and International Standings.

Aspen Icemen Have Hot Season

Hockey began at Aspen High only one year ago and has grown into a sport which features over 20 boys. The team's home games were held at the Aspen Ice Garden. The pucksters traveled to Denver and Colorado Springs to play most of their games, and played Ogden, Utah, and Casper, Wyoming, in home games

this season. A main reason for Skier success in hockey during this season was the excellent coaching. Strong scoring by Randy Block, along with fine goal-tending by Mike Hale and Tony Gordon, kept Skier opponents at bay throughout the season.

Effort Joining Spirit Uncovers Admirable Athletes

When that extra bit of blood was requested, the final effort, the boost to team moral, the lick and promise in the locker room, the funny moment to break the tension, the willingness to endure the extra moment---these are the athletes chosen by the coaches for their willingness to participate to the fullest without necessarily receiving the cheers of the crowd. From the Coaches---Hats off! Three Cheers!

Pitch, Hit, Run —

Spring brought us baseball. This year promised to be the best ever with a core of seven players returning from last year's varsity squad that finished second in the League. In addition, 12 athletes returned from the 1975 JV team which also finished second.

In all, the Skiers played 15 games this season including 10 varsity and 5 JV contests. Spring training for Aspen began on March 1st and less than three weeks later the Skiers played their first game against Eagle Valley.

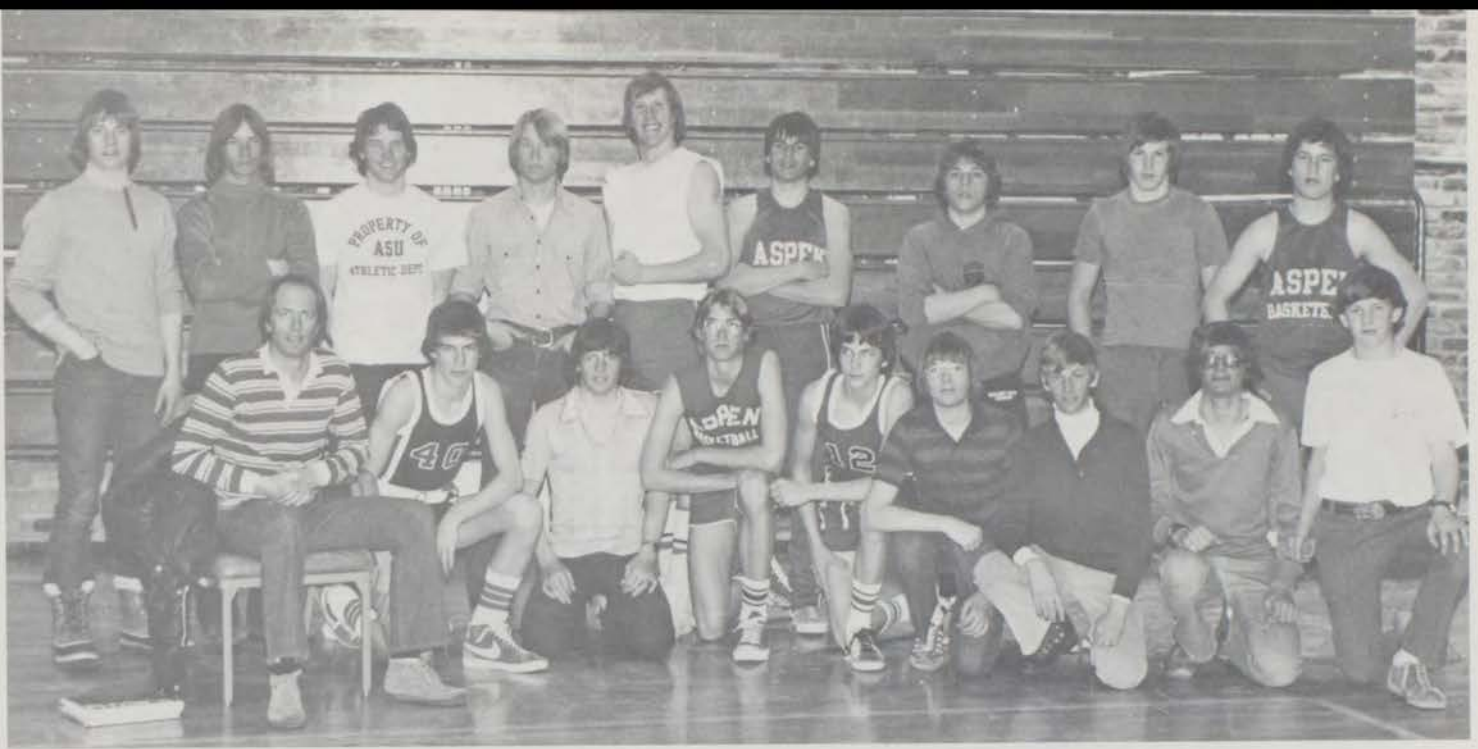

Since Aspen did not have a field of their own they played all of their home games in Greenwood Springs. During the past five years the Skiers never placed lower than second and won the League in 1973.

If You Can Walk, You Can Run

Boys track team participated in 6 meets and District and State competitions in 1976. Events for the strong squad included high and low hurdles, 220 and 440 individual runs, 440 and 880 relays, mile relays, high jump, one and two mile runs.

Over 40 girls came out for track this season allowing coach Myra Lewis to fill all events. Several girls returned from last season when they participated in the State Tournament. Discus, shot put, hurdles, and 440, 880 and mile relays were the events for girls meets.

Trying To Make The Best Better

An integral part of life at Aspen High is led by the Student Council. Dances, fund raising projects, and student activities are but a few of the tasks assigned to the council each year. This year's activities included the Homecoming Dance and Parade, the NWL Fall Workshop in Craig during October, the NWL Winter Workshop in Glenwood in February, and the NWL Spring Workshop in Carbondale in May.

The Student Council is in charge of Christmas decorations for the Commons and in spirited class participation in decorating the school.

The Council engaged in student exchanges this year including one with Lakewood High School in March and with other NWL schools during the school year. Members also worked with other NWL schools in recognition of the Bicentennial Celebration.

FRONT ROW: Scott Lohr, Ingrid Booke, Heather Gallaher, Greg Gomon BACK ROW: Jennifer Woodward, Robin Lewy, Larry Beer, Heidi Kuhn, Dwight Shellman, Cindy Madsen, Verena Bent.

Judges, Debaters, I Stand Resolved . . .

Officers: Verena Bent, Miss Hopkins, Robin Lewy

Four years ago Jill Hopkins organized a Speech and Debate Club at Aspen High. Members compete with schools around the state in debate tournaments during the winter and spring. The Debate Team attended eight tournaments before the district qualifying event in Grand Junction in February. Those students who qualified at the District Meet advanced to the State Tournament in Denver during March.

Although debate is not a spectator sport, it is an important event each year and with continued support from the school, debate has become an integral part of life at AHS.

A Lot Of Pep, A Lot Of Steam

Behind every good school team there is a good pep club, and Aspen High is no different. Pep Club acts as a built-in-rooting section for football and basketball games during the year. They learn cheers so they can assist the cheerleaders in driving the team on. Pep Club is mainly responsible for posters which appear around school before each game, and they help to organize the crowd-pleasing pep rallies each Friday during the season. They also sponsored a Christmas Dance on December 20.

Mrs. Judy Gerbaz and Mrs. Pegge Logefeil, sponsors, have initiated many Pep Club activities and projects during the year.

Outing Club Trucks On

. . .

AHS Outing Club is comprised of a group of people who enjoy each other's com-
pany and who go out and get into the out-
doors through hiking, skiing and camp-
ing experiences. Philosophically the
club provides a chance for students and
teachers to break the barriers and
communicate.

This year there was a hike to American
Lake, skiing to Van Horn Park, and to
the back of Buttermilk, with an over-
night at Little Annie Basin, and a m-
jor spring trip to Lake Powell.

And So Sails Summer Sail . . .

The Summer Sail Program is designed
to combine the academic with the ex-
periential, offering an alternative learn-
ing environment.

During the year, the group has been in-
volved in three quarter courses: Man's
Search for Identity, European History,
and Navigation and Fundamentals of
Sailing.

The trip will have its sailing embarka-
tion from Athens on a rented 60' yawl.
The sailing trip will last approximately
6 weeks at a cost of \$1,500 per student.

VICA . . .

Constructive Alternative To Doodling On Tables

VICA Club involves students from auto mechanics and cabinet making classes under the direction of Ken Larson. A Fall Winterizing Clinic gave auto mechanics members valuable experience in car maintenance and service. Officers attended a Fall Leadership Council and learned how to direct a meeting, how to use money-making projects to advantage, and other functions of a VICA club.

The club meets occasionally to enjoy breakfast at local restaurants. Members participate in student work-nights, which allow the individual student to work by himself on a project which he needs to finish. Two field trips were taken to local auto repair shops to learn basic as well as advanced techniques.

Future Business Leaders of America members are students of the Business and Office Education classes at Aspen High.

Activities are planned to develop competent, aggressive business leadership, improve scholarship, and promote good citizenship.

Regional leadership meetings, district, state and national contests are held throughout the year when students test their knowledge of business.

Rodeo Club Grows In '75

Aspen High Rodeo Club has grown to 24 members since 1973, and is one of the school's largest organizations. By participating in the state sponsored rodeos, each member has a chance to win various prizes and to enter into the state finals the next year. The club also holds dances during the year. In January the club attends the National Western Stock Show in Denver.

Aspen High School GAA activities are somewhat inactive this year so that sanctioned sports for girls will have every opportunity to get started.

GAA has a culminating activity at the end of each six-week unit in the GAA class. These units are: volleyball, handball, basketball, softball and swimming. GAA will have a year-end softball game with the mothers as in the past.

Intermurals for girls will return next year in an active way.

Yearbooks Are Not Just Born And Delivered They Are A Labor Pain For Nine Months

Sweating, smiling, laughing, crying and groaning for nine months put together the 1976 Silver Queen. The people on staff and in the labor room are one exhausted but happy family.

Editors, assistants, advertising staff and photographers, with mid-wife photographer Cory Selby, all took part in the creating, and agonized in the final labor. The entire staff was totally inexperienced and only the editor Donna King was a returnee from last year's group. All three advisors were also new to the Aspen yearbook techniques, and ministered to the staff through the production and delivery.

Look Out! Here We Come!

Sixteen girls earned the honor of cheering the athletes on this year. There were four varsity football, four JV basketball, four varsity basketball and four wrestling cheerleaders performing for the fans this season.

FOOTBALL--Seniors Donna King, Robin Gallaher and Stacy Saunders along with Junior Suzee Harris made up the nucleus of the football cheering for AHS this season. Donna was in her 1st year of cheerleading, while Stacy and Robin were in their 2nd year of varsity football cheerleading. Suzee was a JV cheerleader last year.

BASKETBALL--Due to a new rule this year a cheerleader can only cheer in one sport. Senior Suzi Comcowich was in her second year of varsity basketball cheerleading and Juniors Kathy Comcowich, Beth Bartel and Julie Stutsman were all JV cheerleaders last year.

JV BASKETBALL--Four girls, all sophomores, were picked for JV cheerleading this season. Kim Ward, Kristen Moebius, Janet Crosby and Debbie Cohen led the JV squad. Kristen was a Freshman cheerleader last season and Janet, Kim, and Debbie were new to cheering this year.

WRESTLING--The four wrestling cheerleaders featured all sophomores: Joy Whitmire, Leslie Wright, Roxanne Hines, and Aleta Broughton. Aleta was the only returning wrestling cheerleader from last season, while Joy, Leslie, and Roxanne were first year cheerleaders.

Life is an adventure in which we may not know exactly what is going to happen just beyond the turn of the road. However, too often the day in which we live is filled with regrets over the past and uncertainty about the future. What a happy outlook it would give us if we could find some way to convince ourselves that the limitations of the past need not be carried into the future!
