

Time Will Only Tell

Time Will Only Tell

*High school is behind us now
Those were good years to party and
how,
Taking numerous classes to graduate
Trying to be friendly to freshmen class-
mates,
Graduation is now here
Toast to the seniors, slam down beers
But we have the long future ahead
To establish our lives and become suc-
cessful before dead,
Will we work in a library, store, or
home?
Selling merchandise or fixing a phone?
Will we have one or six babies?
That is the question filled with maybes,
Will we be married or stay single?
Be tied down or roam and mingle?
These are sentences for you to spell
For one knows, time will only tell*

Impressions Of Yesterday

*Impressions of yesterday slip through our
minds*

As we look at the numerous years behind

Maturing and growing over the years

Learning and overcoming our many fears

From kindergarten until you graduate

*Meeting new teachers and funny
classmates*

Participating on outdoor ed with friends

*Traveling through canyons and river
bends*

Eating gorp and setting tents

Sitting around campfires or doing events

Mastering math and spelling bees

Working extra hard, hopefully to please.

Striving for honor roll and good grades

*Getting into college is a goal that we've
made*

Battling it through those adolescent tears

*Developing character and aging with
years*

*But now those years have slipped way
behind*

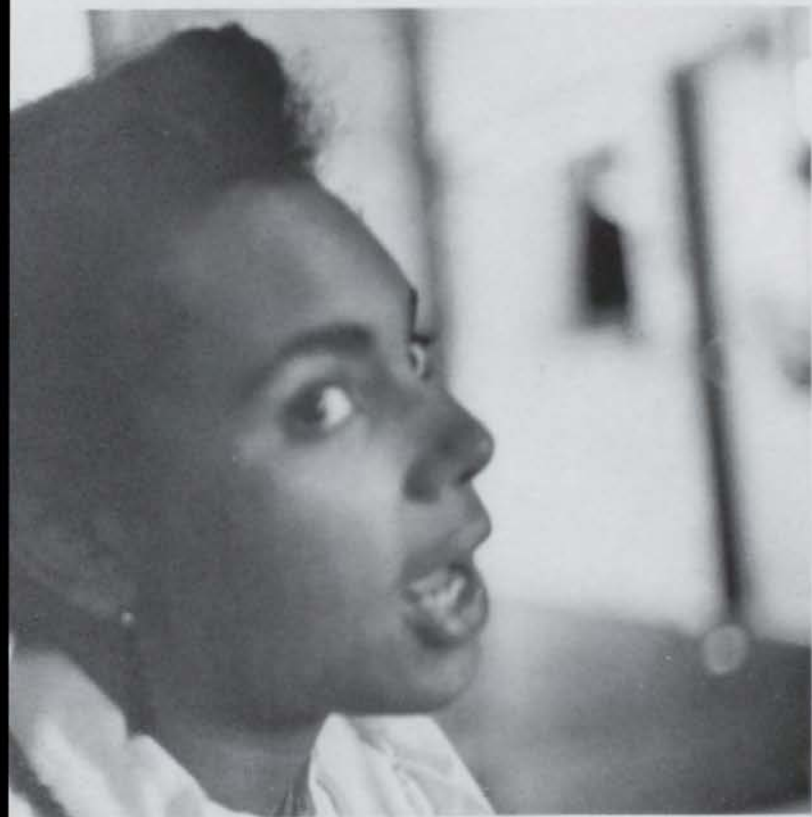

*Although they'll never be erased from our
minds*

*We'll look back and laugh, never with
dismay*

*And think to ourselves: "Those were the
days."*

1984 Homecoming

Homecoming

Homecoming '84 will be well remembered in the years to come. Although destruction took place, Homecoming still went on as planned, and didn't lessen the spirits of the student body. The week was filled with fun festivities starting off with hushbutton day and the senior slave sale, which was a big hit with the underclassmen. The next few days were hat and tie day, and colors day, which then brought us to the pep rally and the parade, which was a lot of fun for everyone even though the floats were not judged this year due to certain facts that we will not mention in this article (Team A). The football game that was held Saturday afternoon at A.H.S. was played, but we will not go into detail about it. The spirits were lifted once again with the dance that was held at the Inn At Aspen.

Homecoming '84 was a time in our lives that we will never forget or regret!!!!

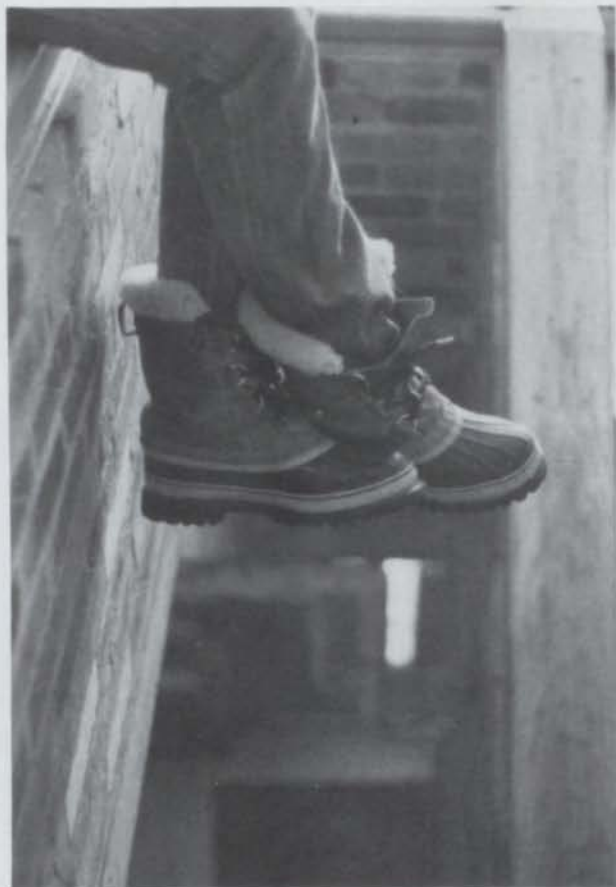

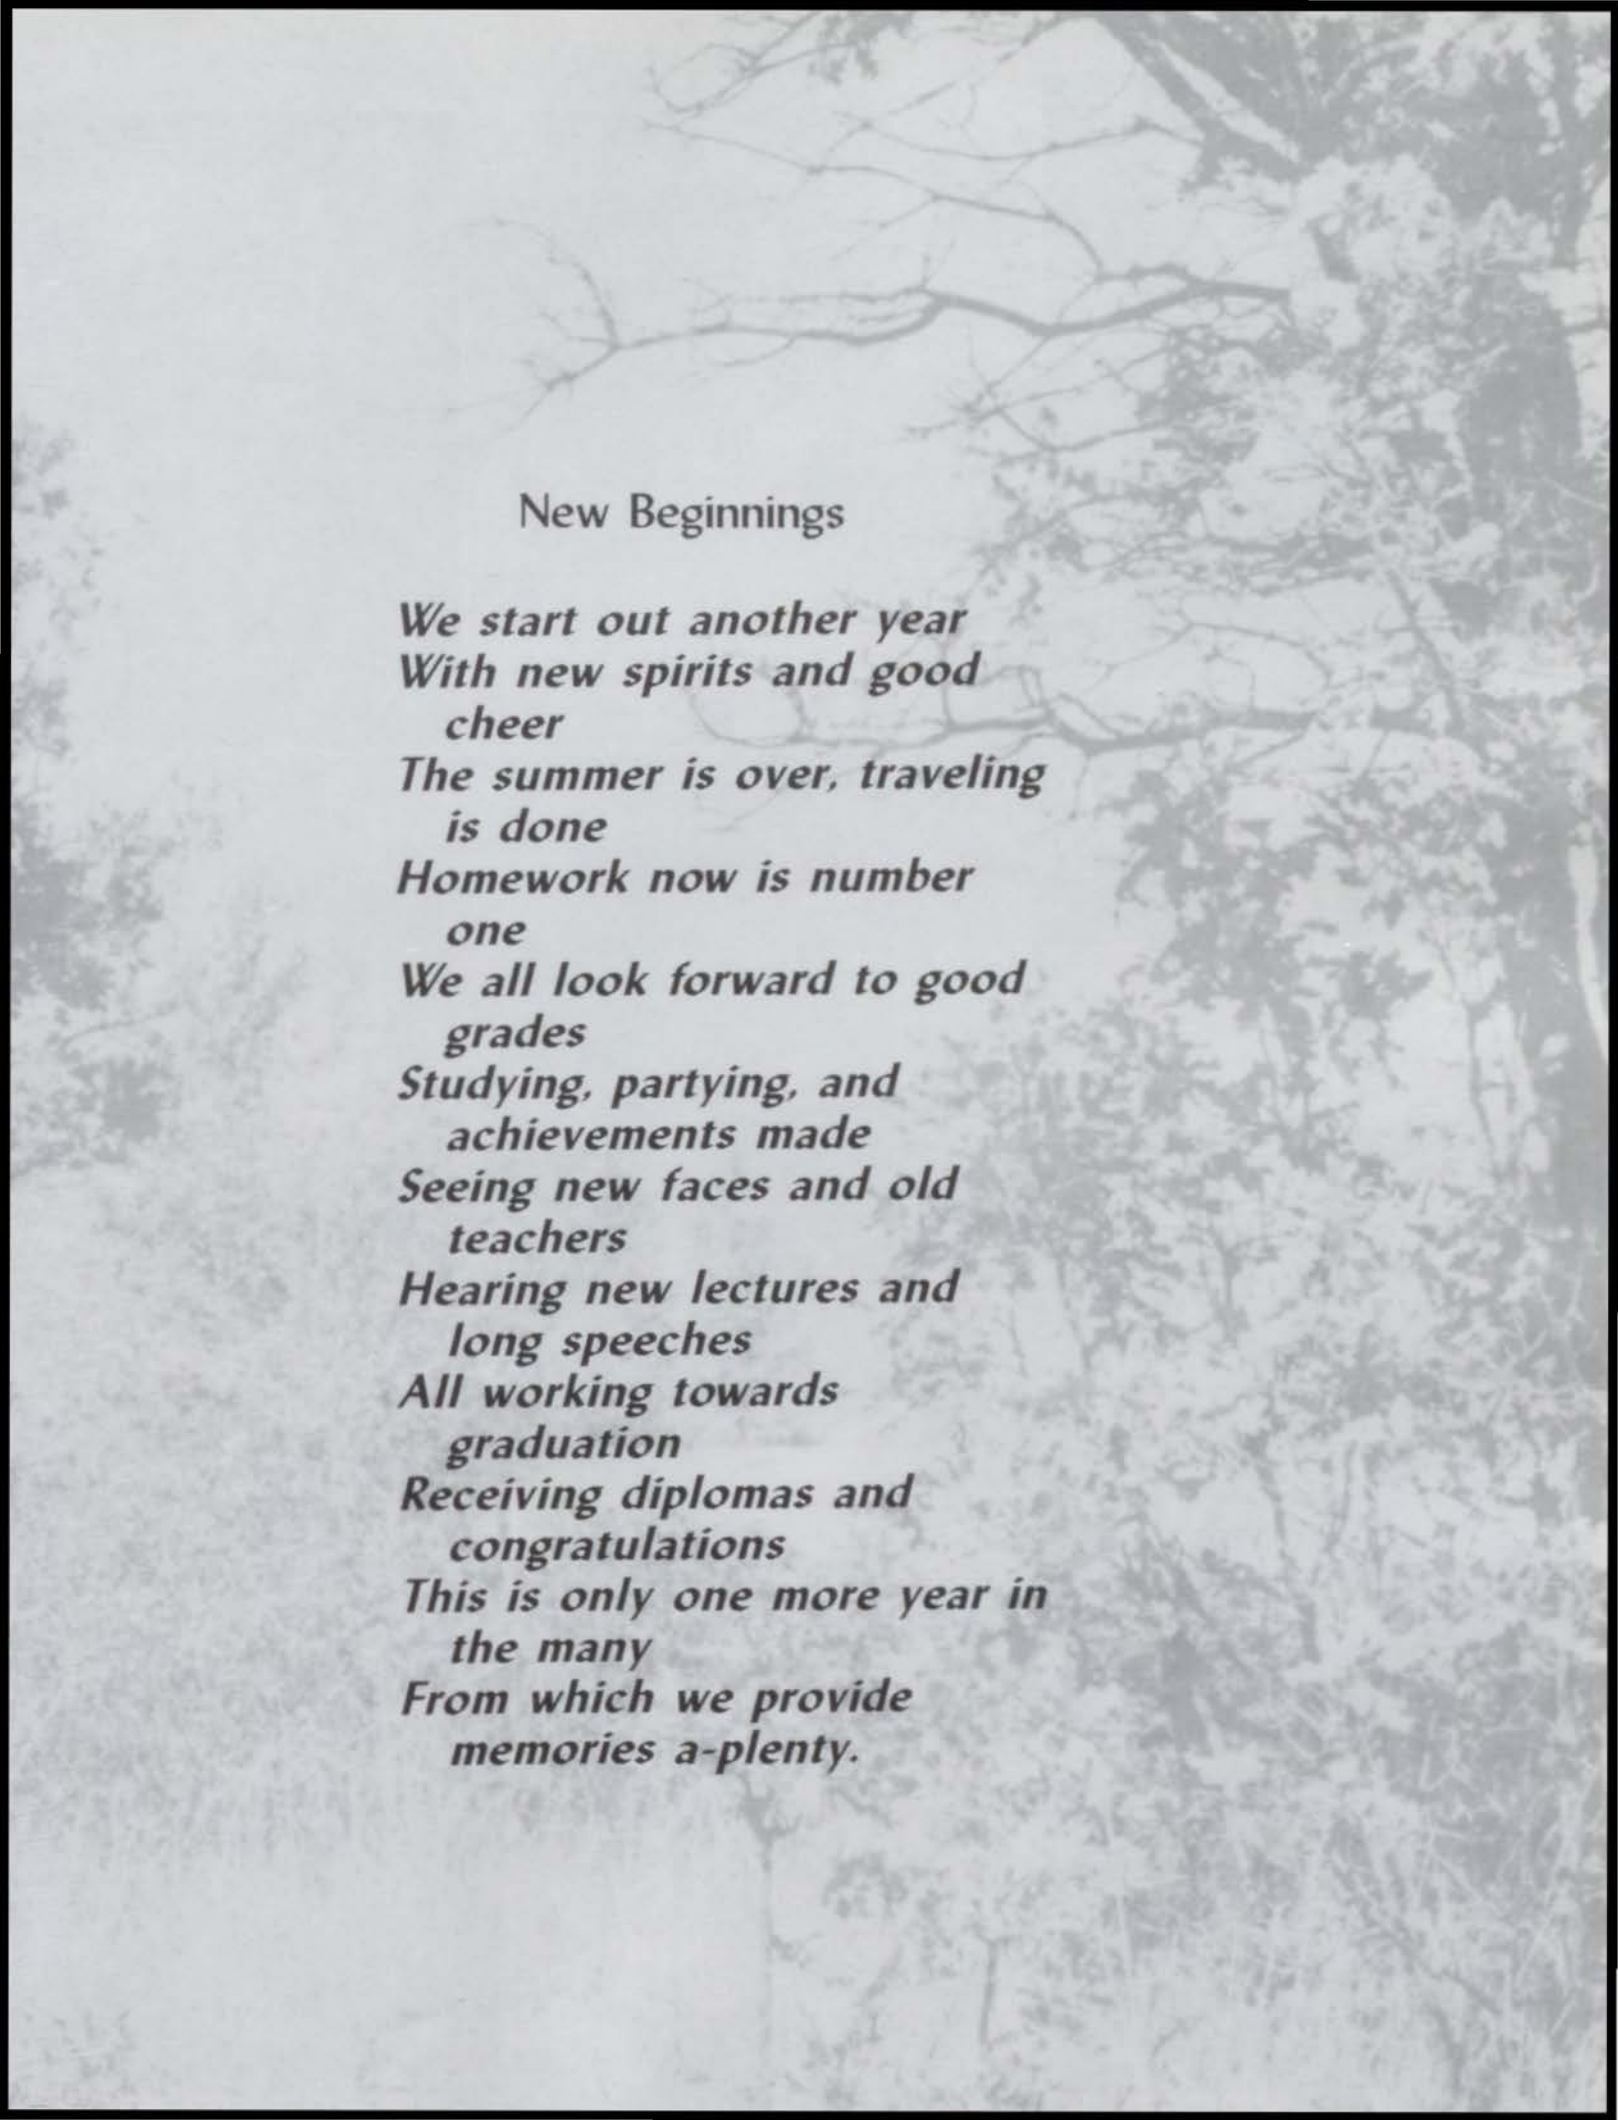

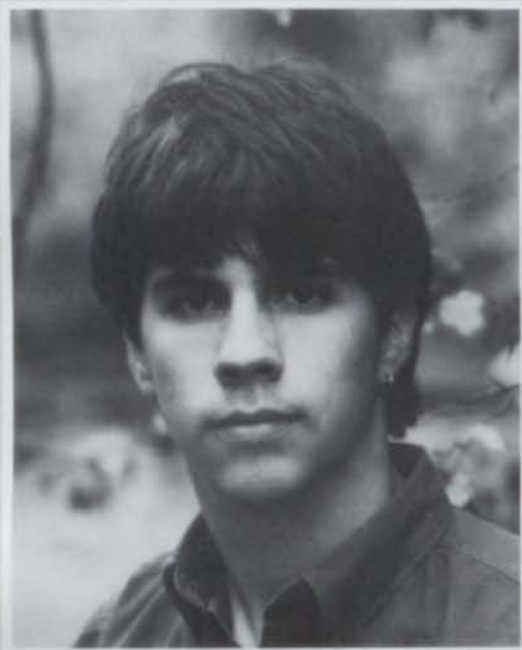

New Beginnings

*We start out another year
With new spirits and good
cheer
The summer is over, traveling
is done
Homework now is number
one
We all look forward to good
grades
Studying, partying, and
achievements made
Seeing new faces and old
teachers
Hearing new lectures and
long speeches
All working towards
graduation
Receiving diplomas and
congratulations
This is only one more year in
the many
From which we provide
memories a-plenty.*

As The Flurries Set In

*As the flurries set in and the snow
begins to fall*

*The ground is quickly covered and
unseen by all,*

*The white flakes blanket our earth
And destroy all of spring and
summer birth*

*But now skiing is finally here
To race downhill and give a cheer
Break out sorels, parkas, and skates
Throw snowballs at friendly
classmates.*

*Looking forward to Thanksgiving and
Christmas break,*

*To tear open presents, to give and to
take*

*Holidays create good cheer in all
Each snowflake brings enthusiasm
when it falls*

*But after months the flurries cease
And the snowdrifts rapidly decrease
In April it all melts and the ground
is bare*

*For now spring is soon here
But that is a different story as you
know*

*The whiteness is gone and the buds
begin to grow*

*The skis and sweaters are all packed
away*

*Not to be seen until another
November day.*

The 1984-85 Aspen High Times staff worked very diligently, beginning in September, constructing the newspaper as often as possible. Chris Keleher, the editor, took on the job of making sure all reporters were on their beats and, most importantly, had their articles in on time. Each department, being represented by a different student, worked busily on keeping articles updated. The advisor, Mr. Brown headed up the tough task of organizing the printing of the paper and fund raisers.

Props and costumes are prohibited in these events so that the true talent of the student can be expressed.

In the debate area, there are two categories: Cross Examination, and Lincoln Douglass debate.

Although this year's team is relatively small, twenty members, and has only one coach, Mike Christopher, they expect to have a very strong showing future competition.

The Turning Point

*The game started out with Aspen
behind
The crowd is groaning with defeat in
mind
But then Aspen's spirit is regained
Startling the opponents who now are
maimed
Aspen comes back with tremendous
forces
Stronger than a team of horses
Now there is a tie
The team lets out a battle cry:
"Aspen Skiers are the best"
"Put the losers to the test!"
We plan a play and gain a point
Our opposers stiff in every joint
Their trembling bodies show defeat
They know the Skiers can't be beat
We have won another game
Our team is obtaining fame
Number one in the state
We know it's not only fate
Experience, pride, and skilled players
Will always let Aspen be in favor*

Backs And Ends

Linemen

Captains: Leif Hughes, David Videon, Bruce Elder, Robert Holman

The 1984 Aspen High School Football Team started off their season with a 3-0 record defeating Basalt, Paonia, and Steamboat Springs. The victory over Steamboat was the first win over the Sailors since 1978.

The defense was a strong factor only allowing six points in their first three games, while the offense scored a total of 52 points. The team went into a slump losing their next four games to Rifle, Glenwood, Roaring Fork, and Battle Mountain. The Skiers got back on track by battling out a 1-0 double overtime victory over Meeker in the cold snow and mud. The team, lacking in experience, won one more game than expected before losing to Moffat County and closing out the season with a 4-5 record in the tough Northwestern League.

Players receiving individual Northwestern League awards are: David Videon- All League; Bruce Elder- All League Honorable Mention; Lindsey Swanton- All League Honorable Mention; Hans Brucker- All League Honorable Mention; Leif Hughes- All League Honorable Mention; Hod Nicholson- All League Honorable Mention; Bobby Kearsy- All League Honorable Mention; Dave Smith- All League Honorable Mention.

Girl's Volleyball 1984

Senior captains from left to right: Susan Dillingham, Shelly Mars, Mary Chilson, Misty Mason.

This Year's Aspen Volleyball team was once more very successful. The team's motto, "We Want More in '84," was exactly what they got. Their season record was 16-7. The Skiers placed second during the Northwest League season, second in the League Sub-District season Tournament and they were District Champions. At the State AA Volleyball Tournament they placed fourth. Mary Chilson made the All State Tournament Team and Received All State Honorable Mention. Misty Mason made All State Team and All State All-Star Team Selection, which clearly made them the Aspen Skier's Most Valuable Players.

Coaches from left to right: Leon Feld, Bonnie Maddalone, Bill Hoover.

The 1984 cross-country season was twelve weeks long. It began with the first practice on August 15 and ended with the state meet, in Denver, on November 3. Throughout the season the team traveled statewide to compete in a variety of meets. After many weeks of hard training, to build endurance, the team traveled to Rifle for the Northwest league meet. Coach Burson's runners did very well and qualified for the district meet in Grand Junction the following weekend. The boys placed fifth and the girls won. They went on from there to the state meet where the boys placed eighth and the girls placed third. Overall it was an enjoyable and successful season.

Front row: Holly Holeman, Natalie Ward, Anna Gauba, Sine Morse, Annie Farris, Gail Goodnough. Back row: Ashley Lewis, Jennifer Carter, Alena Gauba, Kara Evans, Janice Voorhies, Kaela Kländerud.

The 1984-85 boys basketball varsity basketball team went through another tough season. Even though they went winless the team felt they accomplished a lot since last year. There were many close games that the Skiers couldn't quite pull out. Like their game in Steamboat. They went in playing one of the toughest teams in the Northwestern League. The Skiers played their best game staying with Steamboat the whole way. They came within eight points in the fourth quarter before losing by 13.

The Skiers went into the post-season tournament intent on winning their first game of the season. Aspen got off to a slow start against Battle Mountain and at one point was down by 20 points. In the second half the Skiers came within four points but then lost by 13 points.

The leading rebounder for the Skiers was Marc Whitley and the leading scorer was Bruce Elder.

Assistant Coach Kirk Gregory, Head Coach Mick Bennett.

Captains: Robert Holman, Bruce Elder.

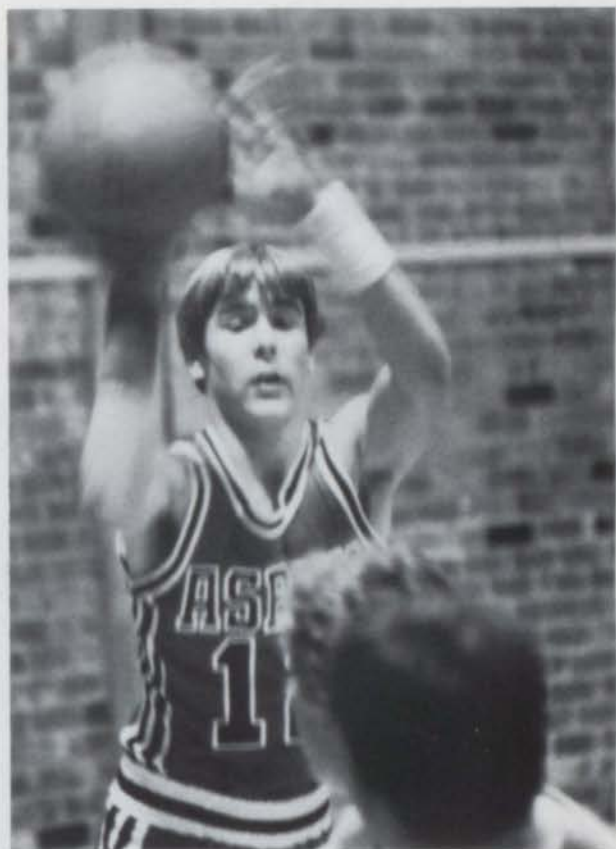

Seniors. Bottom Row: Craig Melville, Carl Uyehara, David Hauer, Bruce Elder. Top Row: David Burson, Robert Holman, Gero Breiten.

The 1984-85 girls varsity basketball team began the season with the intent on having a winning record. Unfortunately that didn't happen. The girls beat Basalt twice and Meeker once to close out the year with a 3-14 record. Many of the Skiers games were very close and were disappointing losses.

In the post-season tournament the Skiers played Rifle in the first round. The Skiers were playing excellent basketball and were able to get out to a 14 point lead in the first half. In the second half the height of the Rifle Bears came into play. It was a big factor in the Bears comeback with the final score 57-39 in Rifle's favor.

Mary Chilson was the Skiers leading rebounder and Carrie Weaver lead the team in scoring.

1984-85 Alpine Ski Team

The 1984-85 Alpine Ski Team had a very successful season. In early September the team started a rigorous 5 day a week dry land training schedule which lasted till mid December. After dryland training the team began fine tuning their skiing techniques for the upcoming races. The team practiced Tuesday through Friday every week and had a race almost every weekend. The team's season ended in mid April after some thirty races had been run, and many had been won by the Aspen High team. Out of the thirty member team nine racers made it to the Junior Olympics. The team members that made it to the Junior Olympics were; Monique Pelletier, Joe Carlson, Jody Baer, Franz Kopp, Mike Tache, Pat Palangi, Zac Stevens, Susan Dillingham, and Lee Gargel. The Junior Olympics provided both a learning and a winning experience. Overall the Aspen High School Alpine Ski Team had a very successful season.

Hockey

The '84 - '85 Skier Hockey Team finished the season with a record of 8-8-2. Early in the season the team played extremely well posting a 7-7-1 mark. The potential for an outstanding season was dampened by a mid-season slump.

The team consisted of 13 players and practiced twice a week. The Skier's two MVP's were John Gloor and Hod Nicholson. This year's edition was led by head coach Evan Benning and his assistant, AHS alumnus, Ham Tharp.

The 1984-85 Aspen High School cheerleaders have been very productive. They helped to achieve spirit among the students by holding pep rallies and boosting energy at football, volleyball, and basketball games. The football and volleyball cheerleaders worked all summer and were rewarded for it at the All-STAR cheerleading camp held in Greeley. They took home the Grand Champion trophy. Ramshackle Inn

The play Ramshackle Inn was performed December 13, and 15, in the High School Commons. It was a big turn out for the winter play. Ramshackle Inn was a three act mystery farce that takes place in an old hotel that had just been purchased by a dingy librarian, she soon finds out that people are being murdered, and that there is a liquor ring dealing out of her hotel. Ramshackle Inn was a hilarious comedy that kept the audience entertained. The play was a great success due to the director Brad Moore.

Snow Week '85

The Heat Is On

Snow Week may be over, but the memories are still with us at AHS. For all the students at Aspen High School it was a great week. The week featured Pajama Day and Beach Day. A Co-ed football game was played over at Iselin Field, and a pep rally ended the week with a ski movie that everyone enjoyed. The students and faculty won't forget the week that "The Heat Was On".

Notebooks discarded and books

No more worries of grades and

For now we are free from

No more missed classes or

Exposing tan bodies and

How little faith you have! No, do not ask anxiously, "what are we to eat? What are we to drink? What are we to wear?" Set your mind to God's kingdom and his justice before everything else, and all the rest will come to you as well. So don't be anxious about tomorrow. Tomorrow will look after itself. Each day has enough troubles of its own.

Matthew 7:31-34

This year the yearbook got off to a slow and difficult start. We had a new advisor who had no knowledge of yearbook and we also had a staff that had no knowledge of yearbook. With the help of many people this book was finished. As the editor of the 1985 Silver Queen, I would like to thank the people who made it possible to have this book: Mr. Parson for all the support he gave us, Mac Kuehlman, Jack Eckart, The sponsors who bought ads, and the 1985 Silver Queen staff.

I would like to dedicate the 1985 Silver Queen to the way Aspen was, and the way Aspen will be remembered.

I hope this book will bring back good memories of what went on at Aspen High School.
